WELCOME

Naval Surface Warfare Center Dahlgren Division (NSWCDD) is excited to welcome you to the 2023 Artificial Intelligence (AI) & Machine Learning (ML) Innovation Challenge at Dahlgren.

Our mission at NSWCDD is to deliver warfare systems to protect our nation and defeat our adversaries. By participating in this challenge, you are helping us to expand our solution set(s) for advanced engagement coordination and weapon pairing through a real time innovation challenge event.

As a participant in Phase II of the AI and ML Innovation Challenge, you may now be eligible to win a prize purse of up to \$100,000. The first place winner will receive \$50,000 and will be given an opportunity to present their submission to NSWCDD. Second place will receive \$30,000 and third place will be awarded \$20,000. All winning participants will be highlighted on the NSWCDD public website. In addition, NSWCDD may also invite Phase II participants who identified innovative ideas, but were not selected for monetary prizes, to share their ideas on NSWCDD's website.

We've developed this guide to help you navigate the local area including information on where to stay and where to eat. We hope that you find it helpful, but feel free to reach out to any of the organizers of the event if you have any questions.

We look forward to meeting and working with you.

Good Luck to all participants!

Capt. Phil Mlynarski
Commanding Officer

Mr. Dale Sisson, Jr., SES
Technical Director

University of Mary Washington Dahlgren Campus

4224 University Drive, King George, VA 22485

Directions from the intersection of U.S. 301 and Route 206:

Travel north on U.S. 301; go 1.2 miles to the traffic signal at the intersection of U.S. 301 and University Drive-Commerce Drive. Turn left on University Drive. As you pass Walmart, the road will bear left. Enter the campus, park in the parking lot and enter through the main entrance.

Directions from Maryland to King George via the Gov. Harry Nice Memorial Bridge:

Once in Virginia, continue south on U.S. 301 for 2.4 miles to the traffic signal at the intersection of U.S. 301 and University Drive-Commerce Drive. Turn right on University Drive. As you pass Walmart, the road will bear left. Enter the campus, park in the parking lot and enter through the main entrance.
